

# Green Tour Map

Use this map to find the stops on the Green Tour and learn about the sustainable aspects of this building and its operation. The numbers for each stop listed below correspond to the numbers on the map on the reverse side of this sheet. How many of the stops can you find?

Help us on our green mission, by returning your map here when you are done!

1. Begin Your Green Tour Here
2. Repurposed Materials
3. Recycling Plan
4. Green Restrooms
